<u>KAUTILYA</u>

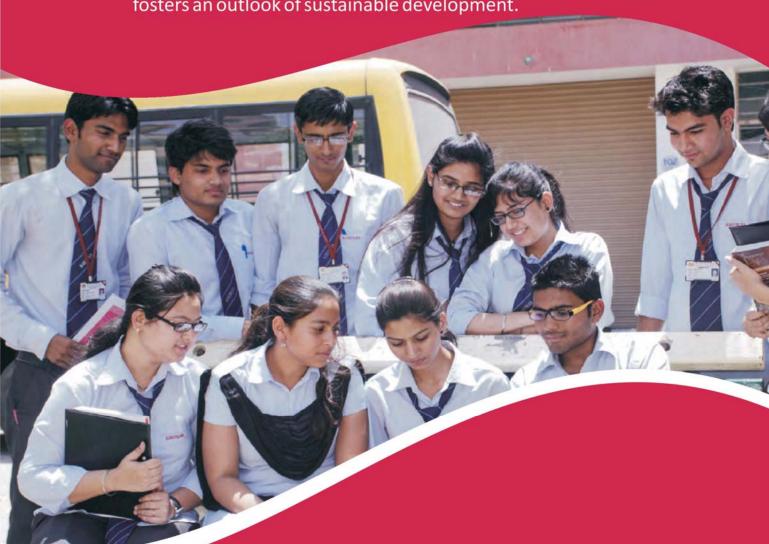

INSTITUTE OF TECHNOLOGY & ENGINEERING

(Approved by AICTE & Affiliated to Rajasthan Technical University, Kota) ISO 9001: 2015 Accredited Institute

Vision

To incorporate industry based practices leading to production of technically skilled manpower which is industry ready in terms of technology, global out reach, attitude and communication, team spirit, entrepreneurship, professional ethics and approach to sustainable growth.

Mission To proclaim high standards of quality in imparting of technical education which is in line with contemporary technology and industry needs and fosters an outlook of sustainable development.

Outstanding Teaching & Research

Confirmed teaching excellence, flexible, innovative programs and a strong research ethos are just some of the reasons why our courses are of such high

A Friendly Campus Environment

Everything you need - from teaching and learning facilities to welfare support and accommodation - is all available in the

Excellent Employment Opportunities

The combination of indepth courses, practical placements and integrated professional development produces graduates whom employers want to recruit.

First-class Accommodation

A guaranteed place in your first year, free internet access and comfortable accommodation facility are just a few of the advantages of living at KITE.

Get Involved

Make the most of our world-class sports facilities or participate in the active and vibrant cultural activities.

Student Diversity

Be part of a 2200-strong student community that embraces individuals from every walk of life and from across the India.

A Great Social Life

Make the most of the great city life of Pink City, Jaipur. Enjoy the delights of a varied cuisine or visit to the historical places.

An Exceptional Support Network

Starting college can be a daunting experience. KITE provides support and welfare services to help you take on all the challenges of college life.

Aspire to Achieve

Dr. Narendra Singh M.Tech., Ph. D. (IIT Delhi) creative teaching Post Doctoral

It is my privilege to greet you on behalf of Kautilya. We believe that excellence in education is achieved when it is student oriented and delivered with scientific and approaches by (University of Leeds, UK) skilled dedicated professors who are harbingers of good

education. Keeping this is mind we always look for excellent faculty and infrastructure. Academic excellence, holistic education, global relevance and values continue to be the corner stones of Kautilya. I am confident these four aspects will always define learning at Kautilya.

We continue to pump in additional resources (like more high-tech labs, advancements in library, workshop equipments, etc.) that are needed to create an outstanding institution. We are aware that building a world-class institute is a gradual and painstaking process, but, the journey to excellence is well and truly on its way. Wish you all a bright future in Kautilya.

CHAIRMAN

B.E.(MNIT), M.Tech.(MNIT) Additional Chief Engineer (Retd.) PWD and technological Advisor MNIT, Jaipur

Kautilya Institute of Technology & Engineering was established in the year 2002 and within this short period has transformed itself into one of the premier institute of engineering studies in

Rajasthan. Engineering is the key profession to sustainability and prosperity and in this regard we do the best to ensure quality education and training. Our endeavor is to provide international standards for our students to face the challenges in the changing global scenario.

KITE is known for the dedication and sincerity in the engineering field. We believe in producing engineers with good values and character. Emphasis is laid on seminars and programs for skill & knowledge development and enhancement of personality through personality development and seminars.

As a part of the professional development we encourage students participation in various activities to enhance there skills and develop leadership qualities.

We can help you discover your future. All the best..... MANAGING DIRECTOR

Mr. B. L. Kanwat

Dear friends, Greetings. Many thanks for your interest in KITE As the Secretary, JECS of KITE, I have the immense honor to be a part of this great institution. One of the most important

and challenging aspects of our education system today is the need to consistently deliver quality education. As an institution of higher education, KITE is committed to the discovery and transmission of knowledge. KITE endeavors to educate a new generation of leaders for the new millennium-men and women who will be capable of shaping a new century with vision, justice, and charity—with a sense of calling, with concern for all of the human family.

I wish you much success as you work toward your future.

SECRETARY

Welcome to KITE!

For more than 16 years, KITE has distinguished itself as one of the great engineering college, renowned for outstanding students, professors and alumni, for achievement in teaching and research, and placements. As one of the top engineering college in the state, KITE's

Er. Vimal Kumar Golecha defining strengths include its firm commitment to excellence, and a willingness to be judged by the highest standards. And by these standards, KITE has excelled far beyond any reasonable expectations. By joining the KITE community, you will experience the College's vibrant learning environment and active and diverse campus life, which support both academic progress and personal development. You will form lasting friendships with people from around the country. KITE has been synonymous with first-class education and research since it was founded in 2002. We remain committed to your success.

Prof. (Dr.) K.C. Roy M.Tech., Ph.D.

KITE a premier institute was established in 2002 with view to imparting excellence in education. This has been achieved through Student Friendly Environment, Scientific and Creative Teaching. We have a dedicated group of teachers who believe in academic excellence and imparting of holistic education which is of global relevance.

Emphasis is laid on enhancement of academic quality and placements as well as on personality development through Group

Discussions, Seminars, Workshops, Industrial tours etc. We wish you all the best and hope your dreams are fulfilled.

DIRECTOR

PRINCIPAL

Situated in the historic city of Jaipur, KITE is a prominent institute of technical and management education which is promoted by JEC, Jaipur Society and is run by renowned academicians, social workers and top professionals from all walks of life. The KITE-Campus spreads across 22,000 Sqm area in the serene environment, which has been designed to integrate the ideas of academic stimulation, knowledge based learning and all round development. The campus environment promotes a fine balance of efficient-engineering professionalism and personal ethics. The institute emphasizes on multifaceted activities, including a blend of comprehensive mix of educational, training, research, consulting and proficiency enhancement activities.

INFRASTRUCTURE

- NABL Accredited Labs
- Modern Class room with Projectors
- Well Equipped Labs & Workshop
- Digital Library & Central Library with 30000 books
- Computer Labs & Language labs to help the students from urban background, to brush up their communication skills.
- Wi-Fi Campus With 100 Mbps Leased Line
- Orientation Classes for Fresher
- Separate Hostel facility for Boys & Girls with AC Rooms (On Demand)
- Separate Mess facility for Boys & Girls with Hygienic Environment
- Gymnasium facility for boys & girls
- Indoor & outdoor sports facilities
- Transport facility is available for collecting students & staff from the entire Jaipur
- Air-Cooled Cafeteria for about 100 person's capacity in campus
- Solar Energy Empowered Campus
- Smart Class Rooms
- Auditorium with Digital facilities
- Centre Computing facility for online exams, training & placement

FEATURES

- In-house counseling by Professional Counselors
- Annual Cultural Fest & Sports Meet
- Industrial Visit, Placement Training Seminar & FDP
- Regular Parent Teacher Meet
- Scholarship for meritorious students
- Pioneer in Technical Education
- 100% Placement Assistance
- Highest Placements in UDH Govt. of Rajasthan
- Started KITE Test House in 2008
- First Private Engineering College to start M.Tech.
 Structural Engineering & Transportation
 Engineering
- Added 100T UTM in KITE Test House
- Entrepreneurship Development Cell
- Highly Qualified & Experienced Faculty with 30 Ph.D. in different streams with Practical Experience of Industry
- Teaching by Smart Class Rooms
- Special Assistance for English Language & Personality Development

ADMISSIONS

	Diff-Oil Control of the Control of t				
Sr. No.		Branch	Total Seats		
	1	Civil Engineering	120		
	2	Computer Sc. & Engineering	60		
	3	Electrical Engineering	60		
	4	Mechanical Engineering	60		
	5	Civil Engineering (II Shift)	120		

Eligibility:

10+2 or equivalent with Physics and Mathematics as compulsory subject along with one of the Chemistry/ Computer Science/ Biotechnology/ Biology with at least 45% Marks in these three subjects taken together (40% in case of Candidate belonging to reserved category).

Admission Procedure:

70% seats to be filled by counseling conducted by RTU, Kota, Rajasthan. The counseling is done on the basis of rank obtained by student in JEE.

15% Admission of the total seat for out of Rajasthan candidate would be made through JEE-mains, counseling is done on the basis of merit based on rank obtained by student in JEE-mains conducted by CBSE.

15 % Management admission are made directly by the institute by conducting institute level counseling. 5 % Additional TFWS Seats (for economically weaker students) to be filled by counseling conducted by RTU, Kota, Rajasthan. The counseling is done on the basis of rank obtained by student in JEE.

Fee Structure:

Rs. 77,000/- Per Annum, Rs. 7,500/- (One-time, Caution Money, refundable)

M.TECH

Sr. No.	Branch	Total Seats
1	Structural Engineering	18
	(Civil Engineering)	
2	Computer Engineering	18
3	Transportation Engineering (Civil Engineering)	18

Eligibility:

B.E./ B.Tech. with 55% aggregate marks (50% for SC/ST) in related discipline.

Admission Procedure:

Admission would be made by counseling conducted by CAM, RTU, Kota.

Fee Structure:

Rs. 77,000/- Per Annum, Rs. 7,500/- (One-time, Caution Money, refundable)

B.TECH (Lateral Entry in Second Year)

Sr. No.	Branch	Total Seats	
1	Civil Engineering	24	
2	Computer Sc. & Engineering	12	
3	Electrical Engineering	24	
4	Mechanical Engineering	24	
5	Civil Engineering (IInd Shift)	24	

Eligibility:

- a) Passed Diploma examination from an AICTE approved institution; with at least 45% marks (40% in case of candidates belonging to reserved category) inappropriate branch & Engineering/Technology.
- b) Passed B. Sc Degree from a recognized University (Rajasthan) as defined by UGC, with at least 45% marks (40% in case of candidates belonging to reserved category) and passed XII standard with mathematics as a subject.

Admission Procedure:

Admission to the B.Tech- Second Year through Lateral Entry would be made by counseling conducted by RTU, Kota, Rajasthan

M.B.A.

Sr. No.	Branch	Total Seats
1	M.B.A.	60

Eligibility

Any Bachelors degree with 50% aggregate marks (45% in case of candidate belonging to reserve category").

Admission Procedure:

85% admission to the MBA program would be made on the basis of counseling conducted by CMAT. The counseling is done on the basis of merit based on rank obtained by student in CMAT.

15% Management admission are made directly by Institute by conducting institute counseling.

Fee Structure

Rs. 60,500/- Per Annum, Rs. 7,500/- (One-time, Caution Money, refundable)

HOSTEL CHARGES

- Triple Occupancy Rs. 60,000
- Double Occupancy Rs. 65,000
- Single Occupancy Rs. 1,00,000
- Double Occupancy (AC Room) Rs. 75000 + Electricity bill
- Triple Occupancy (AC Room) Rs. 70000 + Electricity bill (Only for First Year Students)
- Caution Money Rs. 7,500/- (One-time, Security deposit, refundable)

INDUSTRY-ACADEMIA INTERACTION

DEPARTMENT OF TRAININGS PLACEMENT

The Department of Training & Placement at KITE is created to ensure a regular professional attachment of academics with industry for the professional enrichment and better job placement opportunities of its students. A regular and healthy professional interaction is maintained with various multinational and national companies, both in the private as well as public sectors. The students are sponsored for their internship, required as a part of their academic curriculum, and finally for job opportunities in a suitable company based upon their field of specialization. The main objective of professional attachment is to equip students with the right kinds of skills and attitude so that they can become more effective, efficient and productive in their employers' organizations.

EXTRA ACTIVITIES

CONFERENCES

Department of Civil Engineering, Kautilya Institute of Technology & Engineering is organized an International Conference on "Advancements and Innovations in Civil Engineering" (AICE-2018). The conference will be organized on March 30, 2018 in association with International Science Community Association at Kautilya Campus, Sitapura, Jaipur.

Department of Civil Electrical & Computer Science Engineering, Kautilya Institute of Technology & Engineering was organized an International Conference on "Role of Technology In Smart City Infrastruchure" (RTSCI-2019). The conference will be organized on March 9th, 2019 in association with The Institution of Engineers (India), CSI & ISTE at Kautilya Campus, Sitapura, Jaipur.

Department of Mechanical Engineering, Kautilya Institute of Technology & Engineering is organizing an International Conference on "Trends & Innovation in Product Development and Manufacturing in Mechanical Engineering" (TIPDM-2018). The conference will be organized on September 21st, 2018 in Technical Collaboration with The Institution of Engineers (India) at Kautilya Campus, Sitapura, Jaipur.

"ENILAZE 2K19,

The Annual Techno-Cult Fest of Kautilya

"Enilaze", a culmination of institutes' two mega events 'ENILAZE' 2K19 was celebrated this year in which thousands of students from top engineering colleges participated in various tech-cult activities.

Annual Techno-Cultural and sports fest of KITE, ENILAZE-2K19 was organized in the college campus during 14-17th March, 2019. Enilaze is the amalgamation of institutes' two annual events Enigma and Ablaze. The event stated with the inaugural ceremony on 14th March and the celebration continued for next 4 days.

During the week various technical activities such as Robotrim, Mosaic, Gold-Rush, Metal-Gear, Electromania, Hardware Zigsaw, took place. Cultural activities like Groove in-Dance, Malhaar- Antrakshri, Alaap-Song were also a part of the celebration.

The event concluded with the mesmerizing performance of some popular celebrities. The winners of the events during the entire week were felicitated. Academic awards were also a part of annual function & Gala Night.

GALLERY

STUDENT ACTIVITY CELLS

SOCE-KITE: Society Of Civil Engineers - KITE

A society of Civil Engineers in the name of (SOCE-KITE) is already working in the institute for overall development of Civil Engineering students by conducting technical seminars, workshops & expert lectures in the institute inviting eminent academicians and field engineers. A quarterly news letter "SRAJAN" is also published by the society since year 2009 which covers technical articles and all activities in civil engineering department of the institute. Society has planned to enhance its activities this year by arranging some competitions in paper presentations & model making.

RAYS: Rising Ambitious Youngsters

RAYS is a society of students which moves out from the world of books and examinations to give young and fresh minds of our college, a new horizon to put forward new ideas and come up with innovative thoughts in the world of computing. The basic idea is to bring together tech-savvy minds and nurture hidden talent to spark off a new era of Computer Science and IT students of KITE who possess the potential of seizing the attention of the whole world with new and path-breaking inventions and ideas in the world of computing. RAYS is an initiative of and for the students to provide a platform to those minds which are yet to get a shot at proving themselves to the world. If one thinks one has it in them, we give them their fair chance.

AEES: Association Of Electrical Engineering Students

Association of Electrical Engineering Students "AEES" is an exclusive club of electrical engineering department of KITE which works for the development of students. AEES is publishing its newsletter 'WAVE' which works as an oven book having all the information about new technological innovations going on in the field of electrical engineering. AEES not only helps students to grow but it also helps them to inculcate new ideas inside them. AEES is an initiative of electrical engineering students of KITE to show the world what they have done & what they can do. With a motto of "Let's Learn & Grow" AEES welcomes everyone at KITE.

FACE: Federation Of Active Communication Engineers

The face of an individual represents one's identity. On parallel lines FACE in Kautilya symbolizes the presence of talented electronic students in the pursuit of providing a platform for the enhancement of knowledge and skills. The establishment of this community will lead to a task force dedicated to upgrade student's skill and ideas through their very interest and active participation. With activities such as seminars on upcoming trends, group discussions, interaction with a career counselor, industrial visits and a project lab one can put theoretical knowledge to practical use enabling scholars to shape a useful and progressive career.

The objective of FACE is the technical and intellectual enhancement of electronic and communication students. FACE is also publishing its news letter quarterly which covers various activities of the department & upcoming technologies.

MESO: Mechanical Engineering Students Organization

MESO is the organization formed by the students of the mechanical engineering department consistently working for the betterment and future prospects of the students. The organization organizes several seminars, workshops and other activities with leading firms and companies that keeps the students aware of the present scenario in the field of engineering and help them to cope up with the problems that can be faced in this competitive world. The MESO is also publishing its newsletter - "Mechanza" quarterly every year comprising of the articles and issues from around the world. The newsletter also includes the current affairs and the news from the campus of the college.
